Description:

With ripe fruit, reminiscent of vineyard peach, the little sister of the "303" is in no way inferior to the big one.

Floral notes on the nose, reminiscent of yellow stone fruit. On the palate, a multitude of exotic fruits, this wine is very concentrated yet light. A great interplay of fruit and acidity that makes this wine juicy and delicately fruity at the same time!

Serving suggestions:

8°C, optimal companion to the cheese platter, but also to duck liver pâté or as a dessert substitute.
